Whereas, the Director of Emergency Services of the City of Franklin, Virginia does hereby find as follows:

1. That due to the spread of COVID-19 also known as the coronavirus throughout the United States of America, the Commonwealth of Virginia, and the Hampton Roads Region, the City of Franklin is facing a condition of extreme peril to the lives, safety, and property of the residents of Franklin.
2. That due to this condition of extreme peril, the Governor of Virginia has declared a state of emergency and a disaster and requested extreme measures be taken by localities to seek to protect the public health;
3. The City of Franklin has pockets of high risk populations and has a moral obligation to play a part in limiting the spread of the coronavirus throughout the region.
4. That as a result of this extreme peril, the proclamation of the existence of an emergency is necessary to permit the full powers of government to deal effectively with this condition of peril.

That the emergency will require measures to ensure reasonable continuity of government while taking reasonable measures to protect the public health; such measures may include, but not be limited to, electronic meetings under the authority of Virginia Code section 2.2-3708.2 to address the emergency by taking measures to ensure continuity of government.

Now, therefore, be it proclaimed and ordered that during the existence of this emergency and disaster the powers, functions, and duties of the Director of Emergency Management and the Emergency Services organization and functions of the City of Franklin shall be those prescribed by the laws of the Commonwealth of Virginia and the ordinances, resolutions, and approved plans.

In order to carry out the effect of this resolution, the City Manager Amanda C. Jarratt or the Director of Finance, Tracy Spence and their designees, are hereby authorized to expend funds from the City's unappropriated fund balance to cover the reasonable operations costs of emergency services pending further report to Franklin City Council and such additional appropriations as shall be deemed necessary to cover the expected scope of this emergency and ratified by City Council.

Now, therefore; I, Amanda C. Jarratt Director of Emergency Services, for the City of Franklin, Virginia do hereby proclaim and declare that a local emergency exists in the City of Franklin, Virginia, effective on the 13th day of March 2020.

ORDINANCE NO. 2020-01

AN ORDINANCE OF THE FRANKLIN CITY COUNCIL OF THE CITY OF FRANKLIN, VIRGINIA, INSTITUTING EMERGENCY PROCEDURES TO ENSURE CONTINUITY OF THE CITY OF FRANKLIN GOVERNMENT IN RESPONSE TO COVID-19 DISASTER.

WHEREAS, on January 31, 2020, the United States Health and Human Services Secretary declared a public health emergency for the entire United States to aid the healthcare community in responding to the novel coronavirus or "COVID-19"; and

WHEREAS, on March 11, 2020, the World Health Organization declared the COVID-19 outbreak a pandemic; and

WHEREAS, on March 12, 2020, by Executive Order No. 51, Governor Ralph S.  - d. Meetings of the Council and other City boards, commissions, committees, authorities and other public bodies may be held through electronic communication means with a quorum of members participating but without a need for a quorum of members physically present in a single location, in accordance with the provisions of Virginia Code Section 2.2-3708.2(A)(3), including the public notice requirements, and at such a meeting may consider any item of business which the public body deems essential or is appropriate for the continuity of the work of the public body.
 - e. Such meetings may be held without permitting members of the public to be physically present in a single location or in the same physical location as any of the public body members, so long as alternative arrangements for public access to such meetings are made. Such alternative public access may be electronic, including but not limited to audio, telephonic, or video broadcast.

- f. For any matter considered by the Council or other City public body during the pendency of the local emergency which typically require open doors, public attendance, or public participation by law, such requirements are hereby altered and may be met by electronic, telephonic, and/or written means by the body, which may meet electronically or in person or in some combination thereof as circumstances may permit.
 - g. For any matter so considered also requiring public comment or hearing, such will be allowed, solicited or received by the body by electronic, telephonic, and/or written means prior to the vote on such matter.
