WATER HEATER REBATE PROGRAM QUALIFICATIONS POLICY

1. Must have purchased an electric water heater tank after July 1, 2009.
2. Water heater tank must be 30 gallon minimum capacity.
3. Water heater tank must be "quick recovery," with two elements, each a minimum of 4500 watts.
4. Water heater tank must be energy efficient, with a **.92 energy factor**, verified by inspection receipt.
5. Must be on the Franklin Power & Light electric system.
6. Must be on the Cycle 'N' Save program for a minimum of three years.
7. There is a one-time maximum \$100 rebate per address.
8. Rebate is subject to funds availability and expires June 30, 2010.

To be eligible for a rebate per the above items, the application below must be completed and submitted, with a **copy** of your purchase receipt to:

Energy Management Department
Franklin Power & Light
1050 Pretlow Street
Franklin, Virginia, 23851
(Hours: 8:00 A.M. to 5:00 P.M.)
If you have any questions, call 562-8568
