

## **IFB 2020-02**

### **Grounds & Landscaping Maintenance of City Owned Property**

#### **Prospective Bidder Questions**

1. Q: "Are General or Class A Licenses required? According to DPOR regulation and occupation it is required to have a class A Contractor Licenses for Lawn Care Maintenance we we curious on what would separate us from other companies that does not have the license or credentials."

A: The term "Landscaping" as used in this IFB is limited to mulching & pulling weeds in flower beds so, therefore, does not require licensing through DPOR. All planting, creating flower beds, and tree replacements are done by the City Public Works Department.

2. Q: "What is the estimated amount of the Mulch that will be needed for this project?"

A: The City estimates approximately 200 cubic yards.

3. Q: "Is there permits needed to be pulled for this solicitation?"

A: No.

4. Q: "For the right Aways will we be required to supply Traffic control or will The City of Franklin Pay for that?"

A: The City will not provide traffic control.

5. Q: "Is there a plant list or Tree List?"

A: All planting & tree replacement is done by the City Public Works Department and is not part of the IFB.
