Lean on us

Maybe you're a few months behind on bills and want to get back on track. Maybe you're new in town and are looking for a daycare center. Maybe you have a big project at work and are feeling a lot of stress. Whatever your concern, a call to your Employee Assistance Program (EAP) can help.

What is an EAP?

Your EAP is a service available to you, your covered dependents, and members of your household at no extra cost. It's designed to help you with everyday questions, big or small.

How we can help

When you or a household member contacts us, we'll work with you to figure out the next steps. If you need counseling, we can refer you to a licensed counselor in your area who's a member of our network. If you have financial or legal questions, we can put you in touch with a financial advisor or a lawyer. Your EAP membership gives you up to four free visits for each problem you're having.

How to log in

- Go to **anthemEAP.com** and select the orange Login button inside the Members box.
