

February 22, 2021

ADDENDUM NO. 1 TO ALL OFFERORS

Request for Proposal: RFP# 2021-01

Description: Advanced Metering Infrastructure RF Mesh System

RFP Date: February 12, 2021

Opening Date: March 8, 2021

Opening Time: 3:00 PM EST

The following questions were received for the referenced request for proposal (RFP) follows:

1. Will the March 8th due date be extended?

No

2. Did your team work with a consultant to help with preparation of the RFP?

Yes

3. Will any other vendors than Elster, Itron and Landis+Gyr be considered?

As outlined in Section 4.1: "Only electric meters from proven entities shall be considered, these manufacturers include Itron, Landis+Gyr, and Elster. All quoted meters must be of a non-proprietary design that would accommodate AMI modules from other vendors."

The City will consider other meter vendors if they meet other parameters outlined in the RFP scope. However, the preferred vendors referenced above will be weighted heavier in the evaluation process.

The Evaluation Committee will determine if the bidders have met the criteria outlined in the RFP per Section 7.2.

4. Do I have to register with the City to bid on the RFP?

No registration is needed to bid on the above-referenced RFP. The City does not require the vendor to register with eVa.

The proposal instructions are outlined on page 15 of the RFP.

5. On the cover page the RFP is identified as #2021-01 and in section 1.2 and 1.3 it is identified as #2021-04. Please advise the correct identifier.

The correct identifier is: #2021-01.

Note: A signed acknowledgment of this addendum shall be received at the location indicated on the IFB either prior to the due date and hour or attached to your response. Signature on this addendum does not substitute for your signature on the original IFB document. The original IFB document must be signed.

Very truly yours,
