

**CITY OF FRANKLIN, VIRGINIA
MUNICIPAL SERVICE
Rate Schedule MS**

The City of Franklin shall charge and collect for Municipal Service electric service on the basis of this **Rate Schedule MS**. The General Terms and Conditions specified in Section 8 of the Code of Ordinances of the City of Franklin are incorporated by reference as a part of this rate schedule.

Availability: This rate schedule is available for the supply and delivery of all of the electric service requirements of Paul D. Camp Community College, the City of Franklin Public Schools, the City of Franklin facilities, Franklin Redevelopment and Housing Authority and other State, County or Federal facilities.

Character of Service: Service under this rate schedule shall be alternating current, 60 Hertz, 1-Phase or 3- Phase, at the City’s option of the standard voltages available from its electric distribution system (the “**System**”). Standby or resale service is not permitted under this rate schedule.

Monthly Rate: **July 1, 2017**

Customer Charge – Single Phase	\$ 16.50 per month
Customer Charge – Three Phase:	\$ 26.13 per month
Energy Rate (All metered kWh)	\$0.09833 per kWh

The above rate per kWh will be adjusted plus or minus in accordance with the Fuel and Purchased Power Cost Adjustment Schedule PCA.

Water Heater Control Credit: If the Customer agrees to allow the City to automatically interrupt the Customer’s electric hot water heater for not more than two consecutive hours during any interruption, the monthly bill calculated pursuant to the Monthly Rate will be reduced by \$5.00 for the first heater and \$2.50 for each additional heater.

Payment: Payment is due in the office of the City Treasurer by 5:00 PM on the date specified on the bill.

Interruption of Service: The City will make reasonable provisions to insure satisfactory and continuous service but does not guarantee a continuous supply of electricity from the System and shall not be liable for damages occasioned by interruptions of service or failure to commence delivery caused by acts of God, or the public enemy, or for any cause reasonably beyond the control of the City, including, but not limited to, the failure or breakdown of facilities, floods, fire, or actions or orders of any agency having jurisdiction in the premises, or for interruptions, which are necessary for inspection, repair or changes in the equipment and facilities of the City, the System or the bulk power supplier(s) to the System.
